The Ag Resource Rail helps those in the agribusiness, food processing and technology industry connect to resources with an ag focus across the state. This is one of several resources available under the Show Me Jobs project that's creating new and expanding value-add food and agriculture business ventures in Missouri.

This report was prepared with funding from the U.S. Department of Agriculture and the Missouri Technology Corporation.

This publication was prepared by the University of Missouri-Kansas City Innovation Center. The statements, findings, conclusions and recommendations are those of the author(s) and do not necessarily reflect the views of the U.S. Department of Agriculture or the Missouri Technology Corporation.
